USPC: D14/485-95

Description

(1) The FIGURE is a front plan view of a display screen or portion thereof with a graphical user interface showing the new design.

(2) The broken line showing of the display screen or portion thereof forms no part of the claimed

design. The remaining broken lines show portions of the graphical user interface that form no part of the claimed design.

Claims

The ornamental design for a display screen or portion thereof with a graphical user interface as shown and described.
