## Description

- (1) 1. Milling machine for dental use
- (2) **1.1** : Perspective
- (3) **1.2** : Perspective view with the left lower door open
- (4) **1.3** : Front
- (5) **1.4** : Front view with the left lower door open
- (6) **1.5** : Top
- (7) **1.6** : Top view with the left lower door open
- (8) **1.7** : Back
- (9) **1.8** : Back view with the left lower door open
- (10) **1.9** : Bottom
- (11) **1.10** : Bottom view with the left lower door open
- (12) **1.11** : Right
- (13) **1.12** : Right view with the left lower door open
- (14) **1.13** : Left
- (15) **1.14** : Left view with the left lower door open
- (16) The oblique line shading shown in the reproductions is used to denote claimed surfaces of the milling machine for dental use that are transparent: in these reproductions, the details of the surfaces as seen through the claimed transparent surfaces of the milling machine for dental use have not been shown for ease of illustration and understanding.

## Claims

The ornamental design for a milling machine for dental use as shown and described.

---
