### Description

(1) The sole FIGURE is a front view of a display screen or portion thereof with a graphical user interface showing our new design.

(2) The outermost broken lines in the sole FIGURE show a display screen or portion thereof and

form no part of the claimed design. The other broken lines in the sole FIGURE show portions of the graphical user interface that form no part of the claimed design.

## Claims

The ornamental design for a display screen or portion thereof with a graphical user interface as shown and described.
