(57) **CLAIM**

The ornamental design for a cap for an aerosol generating device, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of a cap for an aerosol generating device showing the new design.

FIG. 2 is a front elevational view thereof.

FIG. 3 is a rear elevational view thereof.

FIG. 4 is a top plan view thereof.

FIG. 5 is a bottom plan view thereof.

FIG. 6 is a right side elevational view thereof; and,

FIG. 7 is a left side elevational view thereof.

The broken lines shown in the drawings depict portions of the cap for an aerosol generating device that form no part of the claimed design.

The surface shading in the design drawings is intended to show the contours of the design.

(Continued)

The surface shading also visually distinguishes two wave-like ornamental bands on the outward sloping upper side from adjacent areas in contrast and/or color and/or surface finish.
