Description

(1) The sole FIGURE is a top view of a glove according to our design.

(2) The broken lines shown in the FIGURE represent portions of the glove that form no part of the claimed design. Portions of the glove that are not shown form no part of the claimed design. The shading in the FIGURE represents a contrast in appearance and does not depict any particular color or texture. Only the shaded/contrasting region shown in the FIGURE is being claimed. A left-hand

glove is depicted in the FIGURE, it being understood that a right-hand version of the glove would be of mirror image appearance.

Claims

The ornamental design for a glove, as shown and described.
