USPC: D14/489-495; D14/485-488

Description

- (1) The sole FIGURE is a front view of a display screen with graphical user interface showing our new design.
- (2) The outermost broken lines show a display screen and form no part of the claimed design. The remaining broken lines show portions of the graphical user interface and form no part of the claimed design.

Claims

The ornamental design for a display screen with graphical user interface, as shown and described.
