Description

(1) The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

(2) The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

(3) The peripheral dashed broken lines depict a display screen or portion thereof, and form no part of the claimed design.

Claims

The ornamental design for a display screen or portion thereof with graphical user interface as shown and described.
