### Description

(1) The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing the claimed design.

(2) The peripheral dashed broken lines illustrate a display screen or portion thereof, and form no

part of the claimed design. The broken lines within the peripheral dashed broken lines illustrate portions of the graphical user interface which form no part of the display.

## Claims

The ornamental design for a display screen or portion thereof with graphical user interface as shown and described.
