Description

(1) The sole FIGURE is a plan view of the golf game target.

(2) The broken lines showing a frame around the golf game target are for the purpose of illustrating

environmental subject matter and form no part of the claimed design. The golf game target is of conventional thickness that forms no part of the claimed design. The rear side of the golf game target forms no part of the claimed design.

Claims

The ornamental design for a golf game target, as shown and described.
