Description

(1) The FIGURE is a front view of a display screen or a portion thereof with a graphical user interface of our new design.

(2) The dashed broken line perimeter in the drawings illustrate a display screen or portion thereof and forms no part of the claimed design. The remaining dashed broken lines in the drawings illustrate portions of the graphical user interface that form no part of the claimed design.

Claims

The ornamental design for a display screen or a portion thereof with a graphical user interface as shown and described herein.
