### Description

- (1) The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.
- (2) The outermost broken line showing of the display screen or portion thereof and the broken line showing of the remainder of the graphical user interface is for environmental purposes only and forms no part of the claimed design.

## **Claims**

The ornamental design for a display screen or portion thereof with graphical user interface as shown and described.
