USPC: D14/485-495

Description

(1) FIG. 1 is a front view of a display screen or portion thereof with graphical user interface showing our new design, according to a first embodiment;

- (2) FIG. 2 is a front view of a display screen or portion thereof with graphical user interface showing our new design, according to a second embodiment; and,
- (3) FIG. 3 is a front view of a display screen or portion thereof with graphical user interface showing our new design, according to a third embodiment.
- (4) The even-dash broken lines illustrating portions of the display screen or portion thereof with graphical user interface form no part of the claimed design.

Claims

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.
