CLAIM

The ornamental design for a packaging pouch for dietary supplements as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

1. Packaging pouch for dietary supplements

1.1 : Front

1.2 : Back

The characteristic features of the design lie in the combination of the color and shape of the packaging pouches for dietary supplements as shown. Protection for color is claimed.
