(57) CLAIM

The ornamental design for an electric backpack blower body as shown and described.

DESCRIPTION

FIG. 1 is a front, right and top perspective view of an electric backpack blower body showing our new design;

FIG. 2 is a rear, left and top perspective view thereof;

FIG. 3 is a front elevational view thereof;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a top plan view thereof;

FIG. 6 is a bottom plan view thereof;

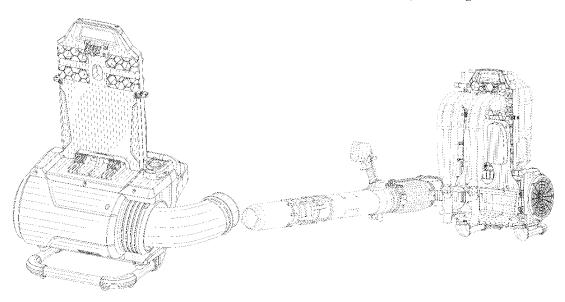

FIG. 7 is a left side elevational view thereof;

FIG. 8 is a right side elevational view thereof; and,

FIG. 9 is a rear, left and top perspective view of the electric backpack blower body shown in a state of use.

The broken lines in the drawings illustrate portions of the electric backpack blower body which form no part of the claimed design. The broken lines showing of a nozzle, a harness and a battery attached to the electric backpack blower body in FIG. 9 illustrate the environmental structures which form no part thereof.

1 Claim, 9 Drawing Sheets
