(57) **CLAIM**

The ornamental design for pants with pockets, as shown and described.

FIG. 1 is a front view of the pants with pockets showing a first embodiment of my new design, with two open side pockets and the internal portions of the drawstrings shown through the material to better disclose the design; FIG. 2 is a front view thereof, with the interior portions of the drawstrings not shown; FIG. 3 is a front view of the pants with pockets shown in FIG. 1 with two closed side pockets and the internal portions of the drawstrings shown through the material to better disclose the design; FIG. 4 is a front view thereof, with the interior portions of the drawstrings not shown; FIG. 5 is a side view of an additional embodiment of the pants with pockets with an open side pocket and the internal portions of the drawstrings shown through the material to better disclose the design; FIG. 6 is a side view thereof, with the interior portions of the drawstrings not shown; FIG. 7 is another side view of the pants with pockets shown in FIG. 3, with a closed side pocket and the internal portions of the drawstrings shown through the material to better disclose the design; FIG. 8 is a side view thereof, with the interior portions of the drawstrings not shown; FIG. 9 is a side view of an additional embodiment of the pants with pockets with an open side pocket and having an interior pocket and the internal portions of the drawstrings shown through the material to better disclose the design; FIG. 10 is a side view thereof, with the interior portions of the drawstrings not shown; and FIG. 11 is a side view of an additional embodiment of the pants with pockets with an open side pocket and having an interior pocket and the internal portions of the drawstrings shown through the material to better disclose the design; and, FIG. 12 is a side view thereof, with the interior portions of the drawstrings not shown.
The features shown in broken lines, including those representing exterior features, are environment only and do not form part of the claimed design.

(Continued)

The features shown in broken lines, including those representing interior features, show portions of the article that form part of the claimed design.

1 Claim, 12 Drawing Sheets
