USPC: D6/356; D6/596; D6/601; D6/604; D6/611

Description

- (1) FIG. 1 is a front view of a seat cushion according to my new design in a folded configuration;
- (2) FIG. 2 is a rear view thereof in the folded configuration;
- (3) FIG. 3 is a right side view thereof in the folded configuration;
- (4) FIG. 4 is a top view thereof in the folded configuration;
- (5) FIG. 5 is a left side view thereof in the folded configuration;
- (6) FIG. 6 is a bottom view thereof in the folded configuration;
- (7) FIG. 7 is a bottom, front, right side perspective view thereof in the folded configuration;
- (8) FIG. 8 is a front view thereof in an unfolded configuration; FIG. 9 is a rear view thereof in the unfolded configuration;
- (9) FIG. 10 is a right side view thereof in the unfolded configuration;

- (10) FIG. **11** is a top view thereof in the unfolded configuration;
- (11) FIG. **12** is a left side view thereof in the unfolded configuration;
- (12) FIG. **13** is a bottom view thereof in the unfolded configuration; and,
- (13) FIG. **14** is a top, rear, left side perspective view thereof in the unfolded configuration.
- (14) The broken lines in FIGS. **1**, **7**, and **8** depict a logo, which is considered environment, and form no part of the claimed design. The remaining broken lines seen in the drawings represent stitching, and form a part of the claimed design.

Claims

The ornamental design for a seat cushion, as shown and described.
