USPC: D14/485-488

Description

(1) The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing my new design.

(2) The outermost broken line rectangle depicting the display screen or portion thereof and the remaining broken lines depicting text, symbols, and the remainder of the graphical user interface forms no part of the claimed design.

Claims

The ornamental design for a display screen or portion thereof with graphical user interface as shown and described.
