Description

(1) FIG. 1 is a top plan view of a target comprising my new design in accordance with a first embodiment of the present invention; and,

(2) FIG. 2 is a top plan view of a second embodiment thereof.

(3) The outermost broken lines in FIG. 1 illustrate boundary lines and form no part of the design. The remaining broken lines shown in the drawings illustrate portions of the target that form no part of the claimed design. It is intended that this disclosure includes support for amending any broken lines to solid lines or solid lines to broken lines to claim or disclaim, respectively, any part, portion, element and/or combinations thereof of the disclosed design.

Claims

The ornamental design for a target, as shown and described.
