(57) **CLAIM**

The ornamental design for a sliding door track as shown and  
described.

**DESCRIPTION**

FIG. 1 is a perspective view of the sliding door track of the  
present invention;

FIG. 2 is a front view thereof,

FIG. 3 is a rear view thereof,

FIG. 4 is a left side view thereof;

FIG. 5 is a right side view thereof;

FIG. 6 is top view thereof;

FIG. 7 is a bottom view thereof; and,

FIG. 8 is bottom perspective view thereof.

The broken lines shown in the drawings illustrate portions of  
the article that form no part of the claimed design. The  
article is shown with a symbolic break in its length, delin-  
eated by dot-dash broken lines. The appearance of the break  
lines, and any portion of the article between the break lines,  
forms no part of the claimed design.

**1 Claim, 7 Drawing Sheets**
