Description

(1) FIG. 1 is a front perspective view of a hotel room gym according to a first embodiment, shown in a usage state in an environmental view; and,

(2) FIG. 2 is a front perspective view of a hotel room gym according to a second embodiment, shown in a usage state in an environmental view.

(3) The fragmentary showing of wood graining in FIG. 2 is understood to be repeated throughout the surface(s) shown.

(4) The broken lines showing the gym equipment illustrate portions of the hotel room gym that form no part of the claimed design. The broken lines showing the hotel room surrounding the hotel room gym illustrate environmental structure that also forms no part of the claimed design.

(5) The boundary lines separate the hotel room gym from the environmental structure and form no part of the claimed design.

Claims

The ornamental design for a hotel room gym, as shown and described.
