Description

(1) The sole FIGURE shows a display screen or portion thereof with graphical user interface showing our new design.

(2) The peripheral dashed broken lines illustrate a display screen or portion thereof, and form no part of the claimed design. The dashed broken lines within the peripheral dashed broken line illustrate portions of the graphical user interface, and form no part of the claimed design.

Claims

The ornamental design for a display screen or portion thereof with graphical user interface as shown and described.
