(57) **CLAIM**

The ornamental design for a display screen or portion
thereof with graphical user interface, as shown and
described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or
portion thereof with graphical user interface, showing our
new design.

The outer perimeter broken line in the drawing represents a
display screen or portion thereof and forms no part of the
claimed design. The remaining broken lines in the drawing
depict portions of the graphical user interface that form no
part of the claimed design.
