Description

(1) This patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

(2) The FIGURE is a front view of a display panel or portion thereof with graphical user interface according to our new design.

(3) The broken lines illustrate the display panel or portion thereof and form no part of the claimed design.

Claims

The ornamental design for a display panel or portion thereof with graphical user interface, as shown and described.
