DESCRIPTION

The sole FIGURE is a front view of a set of display screen
portions with graphical user interfaces showing the claimed
design.

The peripheral dashed broken lines depict display screen
portions and form no part of the claimed design.

The interior broken lines depict portions of the graphical
user interface which form no part of the claimed design.

The bracket indicates a set; the bracket itself forms no part
of the claimed design. The elements of the set are arranged
relatively on the drawing sheet for the convenience of
illustration, and the placement of each element relative to
another, or to the drawing sheet, forms no part of the claimed
design.

The claim is directed to the collective appearance of the set
of display screen portions with graphical user interfaces.
