(57) **CLAIM**

The ornamental design for a display screen or portion
thereof with graphical user interface, as shown and
described.

DESCRIPTION

The FIGURE is a front view of a display screen or portion
thereof with graphical user interface showing my new
design.

The outer perimeter shown in broken lines in the figure
illustrates a display screen or portion thereof and forms no
part of the claimed design. The remaining broken lines in the
figure illustrate portions of the graphical user interface that
form no part of the claimed design.

See application file for complete search history.
