DESCRIPTION

The patent or application file contains at least one drawing
executed in color. Copies of this patent or patent application
publication with color drawings will be provided by the
Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a display panel with animated
graphical user interface showing a first image of our new
design;

FIG. 2 is a second image thereof;

FIG. 3 is a third image thereof;

FIG. 4 is a fourth image thereof; and,

FIG. 5 is a fifth image thereof.

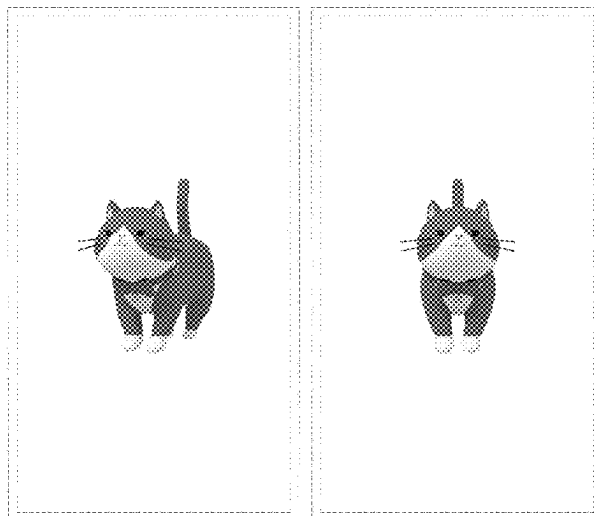

The broken lines indicate portions of the article that form no
part of the claimed design. The appearance of the transi-
tional image sequentially transitions between the images
shown in FIGS. 1-5. The process or period in which one
image transitions to another image forms no part of the
claimed design.
