(57) CLAIM

The ornamental design for a laser measuring device as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a laser measuring device, showing our new design.

FIG. 2 is a right side view of the claimed design.

FIG. 3 is a left side view of the claimed design.

FIG. 4 is a top view of the claimed design.

FIG. 5 is a bottom view of the claimed design.

FIG. 6 is a front view of the claimed design; and,

FIG. 7 is a rear view of the claimed design.

1 Claim, 3 Drawing Sheets
