(57) **CLAIM**

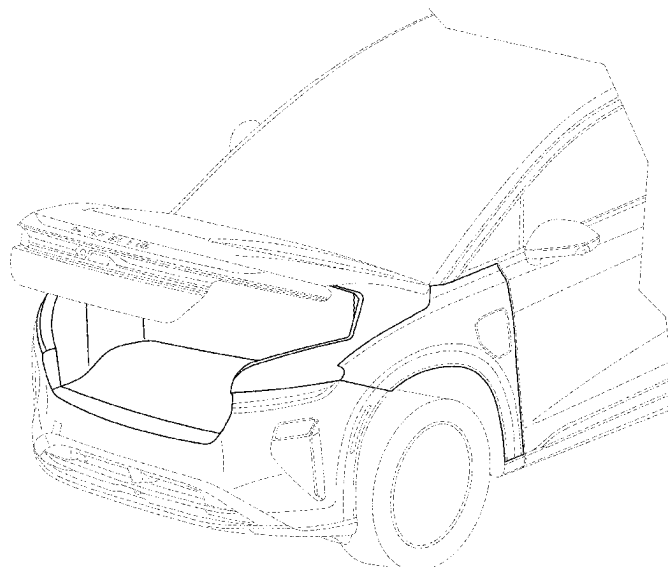

The ornamental design for a frunk and a front fender for an
automotive vehicle, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a frunk and a front
fender for an automotive vehicle, of the new design; and,
FIG. 2 is a side elevation view thereof (the opposite side
being a mirror image thereof).

The broken lines are for illustrative purposes only and form
no part of the claimed design.
