(57) **CLAIM**

The ornamental design for trousers as shown and described.

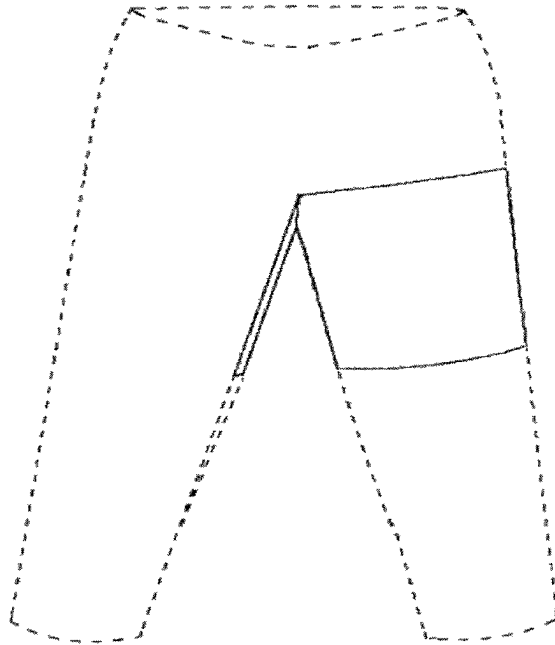

DESCRIPTION

1.1: Front view
1.2: Back view
1.3: Right-side view of left pant leg of trousers
1.4: Left-side view of right pant leg of trousers
1.5: Top view
1.6: Opened-out (two-dimensional pattern) view
The solid lines in the several views indicate the boundary of the trouser section constituting the claimed design, but do not themselves constitute any part of the claimed design. The dotted lines (even broken lines) appearing in the drawings indicate the environment of the design; that is, the even broken lines depict portions of the trousers that form no part of the claimed design.
Trousers three-dimensionally embodying the claimed design have a seamless crotch area.
