(57) **CLAIM**

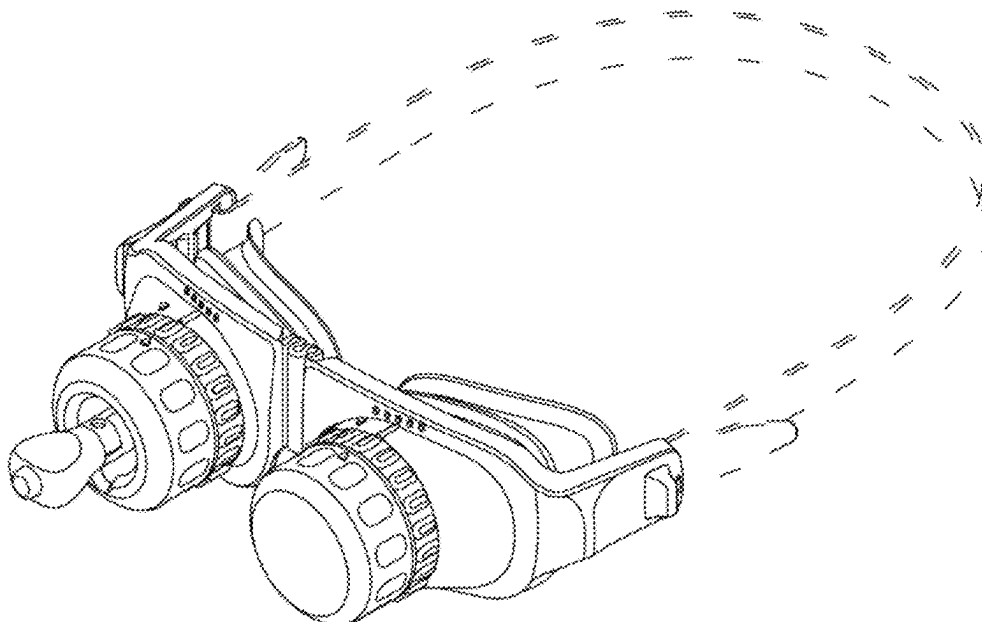

The ornamental design for infrared video goggles as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the infrared video goggles; FIG. 2 is a front view of the infrared video goggles; FIG. 3 is a rear view of the infrared video goggles; FIG. 4 is a top view of the infrared video goggles; FIG. 5 is a right side view of the infrared video goggles, the left side view being a mirror image; and, FIG. 6 is an exploded perspective view of the infrared video goggles.

The broken lines in the drawings illustrate portions of the infrared video goggles that form no part of the claimed design.
