USPC: D14/485-495

Description

(1) The FIGURE is a front view of a display screen or portion thereof with graphical user interface, showing our new design.

(2) The outermost broken lines illustrating portions of a display screen or portion thereof form no part of the claimed design. The remainder of the broken lines illustrating portions of the graphical user interface forms no part of the claimed design.

Claims

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.
