Description

(1) The sole FIGURE is a front view of a reticle. Each small circle is illustrated in a solid line, with the remaining lines inside the dash-dot-dash broken line being dash-dash-dash broken lines.

(2) The dash-dash-dash broken lines depict portions of the Reticle that form no part of the claimed design. The dash-dot-dash broken line and the unshaded areas within the dash-dot-dash broken line depict environment of an optical medium that forms no part of the claimed design.

Claims

The ornamental design for a reticle as shown and described.
