(57) **CLAIM**

The ornamental design for a display screen or portion thereof having a graphical user interface for a process editor as shown and described.

DESCRIPTION

The FIGURE is a display screen or portion thereof having a graphical user interface for a process editor showing our new design.

The outermost broken lines showing the display screen or portion thereof form no part of the claimed design. The remaining broken lines showing portions of the graphical user interface form no part of the claimed design.

1 Claim, 1 Drawing Sheet
