Description

(1) A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the Patent and Trademark Office patent file or records, but reserves all other copyright rights whatsoever.

(2) The FIGURE is a front view of a display screen or portion thereof with a graphical user interface.

(3) The dashed broken lines depict portions of the display screen with a graphical user interface and/or the display screen itself and form no part of the claimed design.

Claims

The ornamental design for a display screen or portion thereof with a graphical user interface, as shown and described.
