(57) **CLAIM**

The ornamental design for a urine strip test, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of the urine strip test showing my new design; and,

FIG. 2 is a back elevation view thereof.

The surface is flat and of no substantial thickness. The features of the urine strip test shown in FIG. 1 are co-planar. The broken lines, the areas within them, and the unshaded areas bounded by both broken lines and solid lines depict portions of the urine strip test that form no part of the claimed design.

1 Claim, 2 Drawing Sheets

FIG. 1

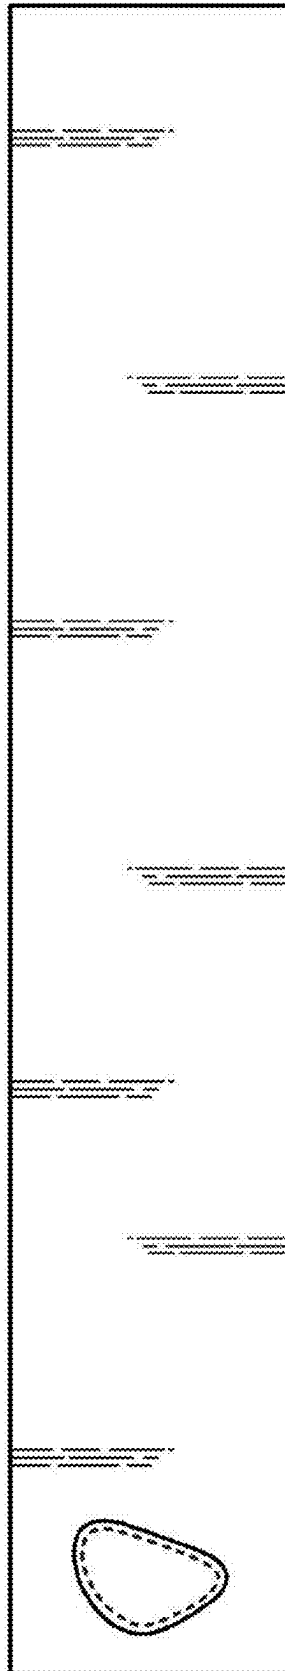

FIG. 2
