Description

- (1) FIG. 1 is an isometric view of a front, top, and left side of a lighted cable termination assembly; and,
- (2) FIG. 2 is a left side elevational view of the lighted cable termination assembly of FIG. 1.
- (3) The dash-dash-dash broken lines are included to show portions of the lighted cable termination assembly that form no part of the claimed design. The dash-dot-dash broken lines depict boundary lines and form no part of the claimed design.

Claims

The ornamental design for a lighted cable termination assembly, as shown and described.
