(57) **CLAIM**

The ornamental design for a display screen with a graphical user interface as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen with a graphical user interface showing my design. The short-dash broken lines show portions of the graphical user interface and form no part of the claimed design. The long-dash broken lines show a display screen and form no part of the claimed design.

See application file for complete search history.
