FIG. 1 is a top, left side perspective view of an electrical junction box showing the new design;

FIG. 2 is a front view thereof;

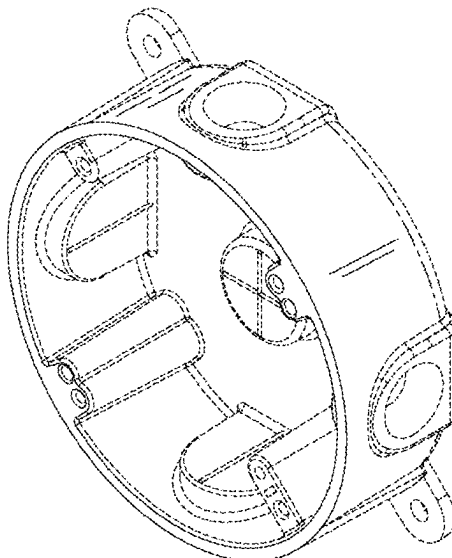

FIG. 3 is a right side view thereof, the left side being a mirror image;

FIG. 4 is a bottom view thereof, the top view being a mirror image; and,

FIG. 5 is a rear view thereof.

The even-length broken lines in the figures represent portions of the electrical junction box that form no part of the claimed design. The uneven length broken lines define the bounds of the claimed design, and form no part thereof.

1 Claim, 4 Drawing Sheets
