CPC **G16H 20/70** (2018.01)

(57) **ABSTRACT**

Culture For Positive Impact is applicable in any field for progress and growth, such as sustainability for ecosystem, with realization of moderation with coexistence. Application of Strategy For Positive Impact on need point out wrong, such as human behavior vitiate system and ruin environment for exponential threat in ecosystem: exploration with exploitation such as dominance with deceit, misfire on survival; outplay nature endeavor, such as division of habitat for ease intensify feud and calamity, diminish basic. Iteration of Strategy For Positive Impact on wrong identify right practice for capable, such as analysis and inquiry on threat derive true action for sustainability: guard for moral rights, such as offset of extreme power, claim from abandon and punish violation; aid for viable creative such as consensus on passion for value improvement in honest direction; growth for verifiable advancement such as recovery by reuse from available for believable progress.

Fig. 8

Exothermic reaction emit heat to warm water

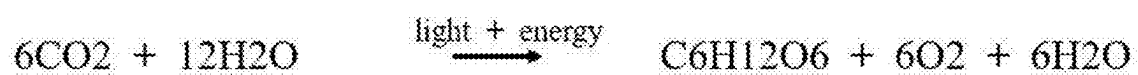

where

SO_2	:	sulfur dioxide
O_2	:	oxygen
SO_3	:	sulfur trioxide
H_2O	:	Water
H_2S	:	hydrogen sulfide
H_2SO_4	:	sulfuric acid
NO_2	:	nitrogen dioxide
HNO_2	:	nitrous acid
HNO	:	nitroxyl or azanone
CO	:	carbon monoxide
CO_2	:	carbon dioxide
H	:	hydrogen

Fig. 9

Endothermic reaction by photosynthesis for food and oxygen

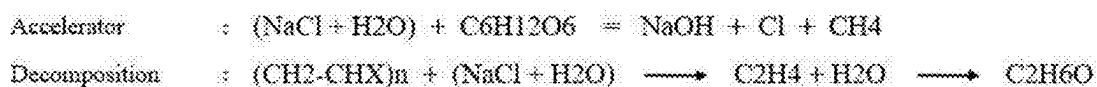

where

CO ₂	: carbon dioxide
H ₂ O	: water
C ₆ H ₁₂ O ₆	: glucose or sugar or food
O ₂	: oxygen

Fig. 10

Decomposition reaction by hydrolysis for ethanol

where

(NaCl + H ₂ O)	: sea-water or salt-water (polar covalent bond)
NaCl	: ocean salt
H ₂ O	: water
C ₆ H ₁₂ O ₆	: glucose or sugar or food. Refer to Fig. 10
NaOH	: base or sodium hydroxide (polar ionic bond)
Cl	: chlorine
CH ₄	: methane
(CH ₂ -CHX) _n	: polymer with X is number of different atom for type of plastic (nonpolar or polar covalent bond)
(CH ₂ -CH ₂) _n	: polyethylene with n is repeat unit in polymer chain
C ₂ H ₄	: monomer or ethylene or ethene (nonpolar peptide bond)
C ₂ H ₆ O	: ethanol or ethyl alcohol

Fig. 11

Encirclement to cool water for enrichment

synthesis	e.g.	lipogenesis	fatty-acid	→	triglyceride
		hydration	ethene	→	ethanol

byproduct	e.g.	base	accelerator for hydrolysis
		methane	fuel for heat and light
		chlorine	disinfectant
		triglyceride	fat for body-energy, diverse oil source
		ethanol	gasoline, curative, sterilizer
		oxygen	growth in habitat

enrich	e.g.	lower water temperature
	Refer to :	Fig. 10 $\xrightarrow{\text{prospects to}}$ Fig. 11

Fig. 12

Emit oxygen for ozone mend

where

O2	:	oxygen (diatomic)	Refer to Fig. 12
light	:	sun (rays)	electrical field
			or
			ultraviolet (uv) radiation
O3	:	ozone	righteous to atmosphere
			and
			harmful to human

Fig. 13

CULTURE FOR POSITIVE IMPACT

APPROACH

[0001] Apply Strategy For Positive Impact (SPI) to analyze and mitigate need, and produce positive impact on society and environment towards sustainability

[0002] For: SPI

[0003] Refer to, FIG. 1 is SPI in Psychology

[0004] Refer to, FIG. 2 is SPI in Arts and Science

[0005] Refer to, FIG. 3 is SPI in Finance, Economics and Marketing

[0006] Refer to, FIG. 4 is SPI in Mentoring

[0007] Refer to, FIG. 5 is SPI in Leadership

COMPONENTS

[0008] Need

[0009] Practice

[0010] Sustain

[0011] Impact

Need

[0012] Apply SPI to analyze system

[0013] Refer to, FIG. 6a is System Fraud Part-One

[0014] Refer to, FIG. 6b is System Fraud Part-Two

[0015] Refer to, FIG. 6c is System Fraud Part-Three

[0016] Refer to, FIG. 7 is Scandal Phenomenon

[0017] Refer to, FIG. 8 is Global Scandal

Social Harm

[0018] Unethical conduct, sufferance and activity to thrive immoral e.g.

[0019] greed overpower moral

[0020] alter rule for access to security in disaster

Neglect

[0021] 1. Contrive ignorance on duty to make competence inapplicable for no functional significance e.g.

[0022] delude to evade service with accountability deviant

[0023] 2. Amass and metastasize compunction for failure to alleviate qualm e.g.

[0024] coerce feud or corporate transaction with projection to clear guilty conscience

[0025] 3. Engulf to accept and align for covert by stratum with requisite to agree and fuel dishonest e.g.

[0026] obscure coercion to discourage diversity

Mistake

[0027] 1. Nest expertise of prominence to enlarge hierarchy, for disconnect with support to lose purpose e.g.

[0028] abet healthcare with insurance wrapper

[0029] 2. Puncture system for ease to rationalize deliberate goof and disclose as rife e.g.

[0030] pick to paralyze by pacemaker or malignant tumor

[0031] no bystander response with lost trust

[0032] 3. Authorize to sponsor problematic concept of influential to establish as norm for ceaseless rise e.g.

[0033] overuse of versatile plastic with basis fear

[0034] coerce to retain gain congruence since inception

Enfeeble

[0035] 1. Deceive intelligence to prop alike with ally collusion for funds e.g.

[0036] corporate claim rights to deject novel for exploitation

[0037] interpose and negotiate startup idea to lose essence

[0038] 2. Employ fear with iterative infamy to guard self and enable trade e.g.

[0039] directive to secure data as distraction to traffic

[0040] derail purpose of security:

[0041] warrant mulct for panic

[0042] sniff detail to poll and price

[0043] bully to raise premium

[0044] 3. Parade for policy to empower legal and social feud e.g.

[0045] advertise system is broken to confess and ploy for transient trust

Endure

[0046] 1. Elude veracious with irrelevance and tangent for distrust to propagate paranoia e.g.

[0047] dubious goal with relativity for no clarity nor quantification on claim

[0048] strenuous pretension to exhibit unavailability

[0049] collaborate to blame writ for coordination remiss

[0050] scourge professionalism to manifest nonfunctional circus

[0051] artificial predict health for illusion of dementia

[0052] 2. Exploit emotion and forgiveness to realize pity e.g.

[0053] dupe, blame and convolute in disguise

[0054] bolster bargain and empathy for incompetence

[0055] apologize for fitful flaw as defense to continue broken and circle

[0056] 3. Swindle religion, faith and trust for wealth in guise e.g.

[0057] volunteer is conducive for no livelihood

[0058] care to quill alliance with trajectory for prospect

[0059] oblige to verify recognition to machine

Eradicate

[0060] 1. Patrician sell reputé to facilitate committee assign for cumulation and concoct power for sovereign e.g.

[0061] exploit influence to coerce on other for eminence

[0062] directive to aristocrat, for possession of echelon relay order

[0063] doyen mule apply recipe to formulate benefit

[0064] 2. Elect for wile to dictate self-interest e.g.

[0065] select to apply policy and breed to coerce

[0066] legalize obstruction and automate incapability

[0067] delegate with nescience and stopgap for inevitable turmoil to gestate feud

[0068] exhibit antagonism with incongruity to claim relinquishment

[0069] 3. Camouflage to partner, learn, squeeze and acquire with ability to sewer skill and upshot non-lucrative otiose e.g.

[0070] collude for accreditation to fraternize and sell disparity

[0071] deflect liability by literacy pest

[0072] connive for palpable fabrication to compete

- [0073] fund representation to project belief with perseverance and cycle talent
- [0074] seize to monopolize and dart oligopoly cartel with promulgation to diversify
- [0075] intrude to beset and implant trojan as confirmation
- [0076] manifest despotism by sequel of conglomerate toxin

Environment Harm

- [0077] Alter nature to diminish basic

Disturbance

- [0078] 1. Repurpose habitat with no grasp on lasting effect to biotic and abiotic e.g.
 - [0079] organism breed on air and sour water to migrate for food, plague and aerify to cease
- [0080] 2. Renegade or opportunist ease with exotic import to kill native e.g.
 - [0081] colonist rush to feed labor by coerce growth with faux to dehydrate other
- [0082] 3. Divide for shortcut or nurture feud to threaten self e.g.
 - [0083] perpetuate need for labor to drill passage or raise wall

Imbalance

- [0084] 1. Starve resource to erupt and reach for quarry e.g.
 - [0085] toll for water
 - [0086] vicious filter for air
 - [0087] invent for lost food
 - [0088] ephemeral pliant for shelter
- [0089] 2. Intensify disaster with extreme contrast e.g.
 - [0090] hurricane with shallow gulf refinery to warm water warmer
 - [0091] Refer to, FIG. 9 is an exothermic reaction
- [0092] 3. Facilitate novel to advance, and abet for avarice e.g.
 - [0093] atomic reaction by turbine, in surfeit to exacerbate for covert dross
 - [0094] entomb or bury with harmful to radiate

Depletion

- [0095] 1. Weaken protection to produce damage e.g.
 - [0096] wither ozone in stratosphere with slow hydrofluorocarbon emission and prior chlorofluorocarbon for excessive ultraviolet rays
- [0097] 2. Hinder process essential to live e.g.
 - [0098] sap marine photosynthesis for oxygen and food by excess use of phytoplankton for polymerization and isomerization

Analysis

- [0099] Failure with dependency slip indicate threat to human existence

Practice

- [0100] Apply SPI to inquire and learn from failure

Social Coexistence

- [0101] Forsake wrong, motivate creative, and guide to believe

Dispose

- [0102] 1. Abandon broken and restore trust e.g.
 - [0103] renounce irreparable
 - [0104] claim revenue from scam or failure
- [0105] 2. Erode visible clone and inspire diverse e.g.
 - [0106] kill kinship of sameness
 - [0107] eliminate multiple badge for one produce
- [0108] 3. Exercise altruism to exterminate non-profit and stagnate philanthropy e.g.
 - [0109] forbid sect to breed and emerge
 - [0110] fortify explicit to end informal hierarchy to reduce bureaucracy
 - [0111] distrust charity hoax for barter guise

Cease

- [0112] 1. Psychological projection to deceive e.g.
 - [0113] anchor by availability heuristic of inherent: origin, prominent, name
 - [0114] foreign entity domicile with global satellite offshoot
- [0115] 2. Disregard misconduct for immoral to snowball e.g.
 - [0116] delinquency is testament for evil to replicate and rocket iterative distinct failure, act as witness for criminal transgression or malfeasance

Concept

- [0117] 1. Reset imagination to tolerate abstract e.g.
 - [0118] realize mindset to internalize novel
 - [0119] enable economic impetus for geographic peculiarity
- [0120] 2. Autonomy with synergy to facilitate and foster new e.g.
 - [0121] propel to ease and pilot
 - [0122] inventor own asset for alliance with no entity possession
 - [0123] concurrence to purpose
- [0124] 3. Purpose at inception with constraint: credible, need, immutable i.e.
 - [0125] assess risk to reward
 - [0126] prohibition on name or repute for: sell, transfer, inherit, claim, merge, acquire
 - [0127] paradigm clarity with vision to decide role and add meaning for function

Lead

- [0128] 1. Identify passion for skill to achieve task e.g.
 - [0129] listen and understand to inquire and engage
 - [0130] coach and mentor to discover leader
- [0131] 2. Experiment to observe and recognize perspective with empathy e.g.
 - [0132] resolve conflict or barrier for change resistor
 - [0133] train power to license, penalize or revoke
 - [0134] alter with focus to follow purpose
- [0135] 3. Cultivate psychological safety, well-being and inclusion to breathe ethics for trust e.g.
 - [0136] clear goal direction with map to vision
 - [0137] train to deliver value

Monitor

- [0138] Autonomy to serve people and resist power of influence, referent and coercion e.g.
- [0139] tenure offset with nomination from 7 or higher prime number groups
- [0140] equal payment with no external fund for elect
- [0141] distribute to localize for availability with liability
- [0142] service with purpose to provide for consumer
- [0143] 1. Protect for antitrust e.g.
- [0144] penalize to discipline and dissolve
- [0145] sanction to imprison malice, violator or discourteous for purpose misalign
- [0146] legitimacy to data and conduct maintenance check
- [0147] reveal to kill bias or deception in: diplomacy, policy, transaction
- [0148] 2. Govern for growth e.g.
- [0149] analyze capability and vulnerability at intra, inter and foreign to negotiate
- [0150] direct allocation by region to correspond issuance with productivity
- [0151] align for agile decision-making ability to change
- [0152] 3. Surveil for neutrality e.g.
- [0153] intelligence insight to end camouflage of harm, threat or deception
- [0154] force for defense and offense to secure for unity and flag

Environment Moderation

- [0155] Recover basic for verifiable growth e.g.
- [0156] restore by discharge of essential
- [0157] retain to repurpose vital
- [0158] reduce distress

Water

- [0159] Embrace balance to approach salvage
- [0160] 1. Reprocess
- [0161] Weaken hurricane by reuse of heat at gulf to stimulate endothermic reaction e.g.
- [0162] light and energy by chemiluminescence for photosynthesis
- [0163] spinoff for crucial: food and oxygen
- [0164] Refer to, FIG. 10 is an endothermic reaction
- [0165] 2. Reclaim
- [0166] Outwit flood by speedy fragmentation of onerous waste to benign biodegrade for reuse e.g.
- [0167] ocean water with food provide accelerator for decomposition by hydrolysis
- [0168] break complex plastic to simpler structure
- [0169] offshoot for multiuse: ethanol
- [0170] Refer to, FIG. 11 is decomposition reaction
- [0171] 3. Abate
- [0172] Diminish disaster and calamity by iterative reprocess to reclaim and affect ocean e.g.
- [0173] redirect heat from water to reduce temperature
- [0174] emit oxygen to further cool down
- [0175] absorb chemical product to decay by synthesis
- [0176] derivative for beneficial: byproduct
- [0177] encircle action to quench and besiege for prosperous: habitat enrichment
- [0178] Refer to, FIG. 12 is an encirclement

Air

- [0179] Remit assent for equilibrium e.g.
- [0180] ransom of diatomic oxygen hit light ray from sun to self-heal ozone
- [0181] automatic mend to elude harmful
- [0182] Refer to, FIG. 13 is ozone mend

Shelter

- [0183] 1. Growth spread with season e.g.
- [0184] migrate to search food
- [0185] hunt to predate on wild
- [0186] build coral reef to atoll, isle to island
- [0187] 2. Rehabilitate to evolve in favorable e.g.
- [0188] subdue incorrect, unfit and non-native invasion
- [0189] cease to remodel real with natural in abundance

Inquiry

- [0190] Exploration of failure and harm to discover interdependent moderation with coexistence dictate basis for human existence

Sustain

- [0191] Acknowledge moderation with conscious for coexistence to change for progress e.g.
- [0192] live and let live with air, water and food in habitat
- [0193] For word: practice
- [0194] Refer to Component: Practice

Accept

- [0195] Adapt to adjust for variance with no correlation to glacial epoch or past eon
- [0196] 1. Present differ from past to speculate future with no witness nor model nor basis e.g.
- [0197] deactivate change of extraneous circumstance to mint with era
- [0198] 2. Vital pedagogy to develop character for perception and passion to flourish e.g.
- [0199] school with introspection for explicable science to assess interest and curiosity for growth
- [0200] embrace to attempt by practice before ambitious propagation to compete and amplify
- [0201] 3. Large predate on small to exist and grow, defunct with oblivion or greed e.g.
- [0202] specie extinction, or merger and acquisition
- [0203] ignorance towards delegate with act as convoy empower:
- [0204] disloyal to ripple as wave
- [0205] trojan to tide and flood
- [0206] region to crumble by hypocrisy

Admit

- [0207] Respect power of nature to advance life via metamorphosis to:
- [0208] 1. Attain eternal power to virtualize intelligence with viral mutation, to brace as prey or self-immolate e.g.
