USPC: D14/485-495

Description

(1) The FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

(2) The peripheral dash-dot-dash lines illustrate a display screen or portion thereof and forms no part of the claimed design. The remaining broken lines within the peripheral dash-dot-dash lines illustrate portions of the graphical user interface which form no part of the claimed design.

Claims

The ornamental design for a display screen or portion thereof with graphical user interface as shown and described.
