USPC: D14/485-495

Description

- (1) The patent or application file contains a least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.
- (2) The single FIGURE is a front view of a display panel with graphical user interface showing my new design.
- (3) The broken lines in the drawings show portions of the display panel with graphical user interface that form no part of the claimed design.

Claims

The ornamental design for a display panel with graphical user interface, as shown and described.
