(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface, showing our new design; and, FIG. 2 is another front view thereof, showing the claimed subject matter separately for clarity of illustration.

The outer broken lines in FIG. 1 depict the display screen or portion thereof and forms no part of the claimed design. The remaining broken lines in FIG. 1 depict portions of the display screen or portion thereof with graphical user interface that form no part of the claimed design.

The grayscale in the figures represents a contrast of appearance.

1 Claim, 2 Drawing Sheets
