Description

- (1) FIG. 1 is a front view of the first image in a sequence for a display screen or portion thereof with transitional graphical user interface showing my new design; and,
- (2) FIG. 2 is a front view of the second image thereof.
- (3) The outermost perimeter broken line in each drawing figure depicts a display screen or portion thereof and forms no part of the claimed design.
- (4) The remaining broken lines in the figures depict portions of the transitional graphical user interface that form no part of the claimed design.
- (5) The appearance of the transitional graphical user interface sequentially transitions between the images shown in FIGS. 1 and 2. The process or period in which one image transitions to another forms no part of the claimed design.

Claims

The ornamental design for a display screen or portion thereof with transitional graphical user interface, as shown and described.
