USPC: D14/485-495

Description

- (1) The FIGURE is a front view of an aviation display screen or portion thereof with graphical user interface showing our new design.
- (2) The outer broken line perimeter showing the display screen forms no part of the claimed design. The remaining broken lines show portions of the graphical user interface that form no part of the claimed design.

Claims

The ornamental design for an aviation display screen or portion thereof with graphical user interface, as shown and described.
