Description

(1) FIG. 1 is a front view of a card with surface ornamentation according to a first embodiment of my new design.

(2) FIG. 2 is a front view of a card with surface ornamentation according to a second embodiment of my new design; and,

(3) FIG. 3 is a front view of a card with surface ornamentation according to a third embodiment of my new design.

(4) The long-short dash lines depict boundaries of the claimed design. The even dash lines depict portions of the card with surface ornamentation forming no part of the claimed design.

Claims

The ornamental design for a card with surface ornamentation as shown and described.
