(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

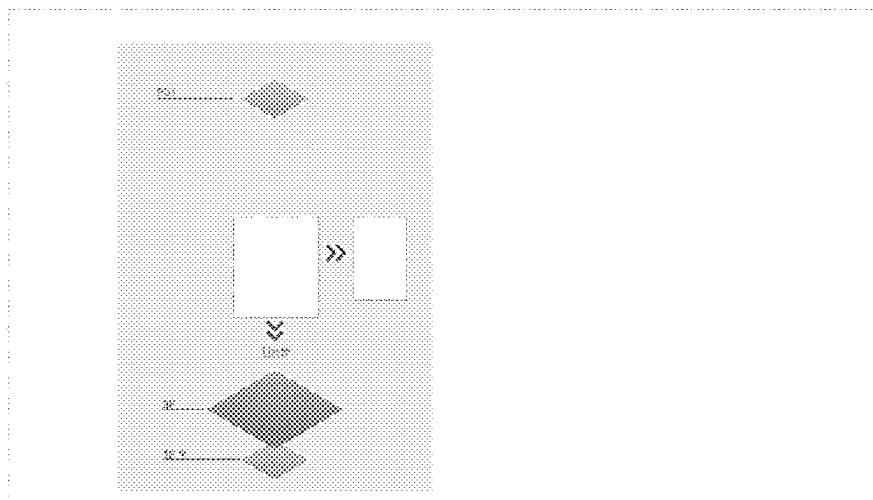

DESCRIPTION

The FIGURE is a front view of a display screen with graphical user interface showing our new design.

The broken line characters and text form no part of the claimed design.

The outermost broken lines illustrate a display screen and form no part of the claimed design. The remaining broken lines illustrate portions of the graphical user interface and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
