USPC: D14/489-495; D14/485-488

Description

- (1) The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface, showing our new design.
- (2) The outermost broken line rectangle in the drawing illustrates a display screen or portion thereof and forms no part of the claimed design. The remaining broken lines in the drawing show portions of the graphical user interface and form no part of the claimed design.

Claims

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.
