(57) **CLAIM**

The ornamental design for a mounting adapter for an automotive harness connector, as shown and described.

**DESCRIPTION**

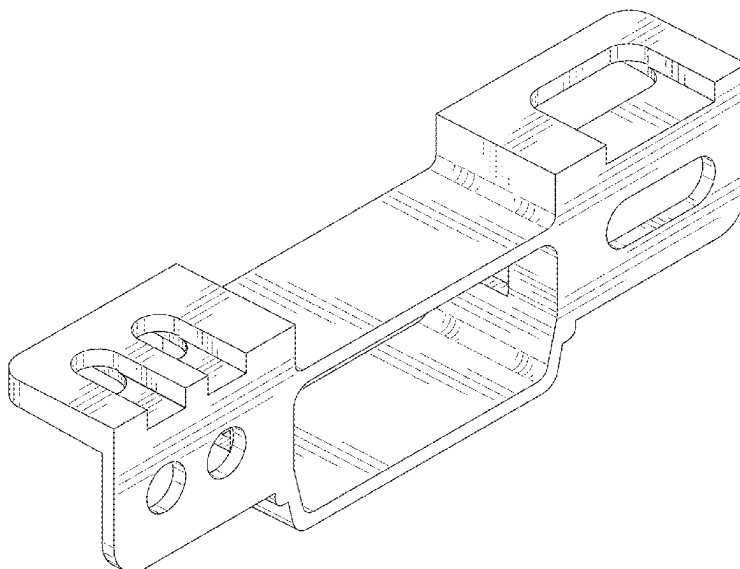

FIG. 1 is a top, rear, right side perspective view of a mounting adapter for an automotive harness connector; FIG. 2 is a bottom, front, left side perspective view thereof; FIG. 3 is a right side elevation view thereof; FIG. 4 is a rear elevation view thereof; FIG. 5 is a left side elevation view thereof; FIG. 6 is a front elevation view thereof; FIG. 7 is a top plan view thereof; and FIG. 8 a bottom plan view thereof; and, FIG. 9 is a top, front, left side perspective view thereof shown with an automotive harness connector. The broken lines are for environmental purposes only and form no part of the claimed design.
