(57) **CLAIM**

The ornamental design for a palm frond antenna conceal-
ment as shown and described herein.

DESCRIPTION

FIG. 1 is a perspective view of a first embodiment of a palm
frond antenna concealment showing the new design;
FIG. 2 is a top view of the first embodiment of the palm
frond antenna concealment;
FIG. 3 is a side view of the first embodiment of the palm
frond antenna concealment;
FIG. 4 is a perspective view of a second embodiment of the
palm frond antenna concealment showing the new design;
and,
FIG. 5 is a perspective view of a third embodiment of the
palm frond antenna concealment showing the new design.
The broken line portion of the figure drawings is included to
show portions of the article that form no part of the claimed
design.
