Description

(1) FIG. 1 is a perspective view of a first embodiment of a palm frond antenna concealment showing the new design;

(2) FIG. 2 is a top view of the first embodiment of the palm frond antenna concealment;

(3) FIG. 3 is a side view of the first embodiment of the palm frond antenna concealment;

(4) FIG. 4 is a perspective view of a second embodiment of the palm frond antenna concealment

showing the new design; and,

(5) FIG. 5 is a perspective view of a third embodiment of the palm frond antenna concealment showing the new design.

(6) The broken line portion of the figure drawings is included to show portions of the article that form no part of the claimed design.

Claims

The ornamental design for a palm frond antenna concealment as shown and described herein.
